SPECIAL PERMISSIONS

Therapet – Therapet is a local organization of volunteers who visit Texas Asthma Camp each year with a small group of their carefully trained and certified therapy dogs. Each animal is required to have a bath (which greatly reduces the dander), teeth brushed, and nails trimmed within 24 hours of the visit. Additionally, we explain to the campers that they should not touch their faces, and we have them wash their hands/arms immediately after the activity. To date, we have not had a problem with this activity for children who are allergic to pet danger. For more information on this organization, go to www.therapet.org. In order for your child to participate in this activity, you must give permission. It is not a problem if do not want your child to participate in this activity – we will be happy to provide an alternative for him/her.

I, as Parent/Guardian, give permission for my child to participate in the Therapet activity. I, as Parent/Guardian, DO NOT give permission for my child to participate in the Therapet activity.

Chick-fil-A® – Each year, our local Chick-fil-A® restaurants have very generously donated lunch one day for the Texas Asthma Camp. From the Chick-fil-A®'s website, “Our peanut oil is a high-temperature, heat-processed, fully refined peanut oil (refined, bleached and deodorized). This means the proteins in the oil are stripped out during the processing. According to the Institute of Agriculture and Natural Resources at the University of Nebraska Food Allergy Research and Resource Program, highly refined oils “do not demonstrate a hazard to allergic individuals.” You can go to www.chick-fil-a.com/Food/Ingredients for more information on the peanut oil used by Chick-fil-A. However, this is an individual decision for you to make as the parent/guardian of your camper. Again, it is not a problem if you prefer that your child not eat Chick-fil-A®. We will make other meal arrangements for your child.

Please indicate below by your signature whether or not your child can have Chick-Fil-A®.

I, as Parent/Guardian, give permission for my child to eat the Chick-fil-A® meal during camp. I, as Parent/Guardian, DO NOT give permission for my child to eat the Chick-fil-A® meal during camp.
