Sentinel Laboratory Resources for Ebola Virus Disease

CDC recently updated their webpage for Ebola Virus Disease For Laboratory Personnel, [https://www.cdc.gov/vhf/ebola/laboratory-personnel/index.html](https://www.cdc.gov/vhf/ebola/laboratory-personnel/index.html) (June 1, 2018) and it covers specimen collecting/transport/submission, select agent regulations, pack/shipping, and testing menus.

Guidance for U.S. Laboratories for Managing and Testing Routine Clinical Specimens
