

Graduate Degree Plan

The graduate advisor, in consultation with the student, will complete this form after all undergraduate deficiencies have been addressed, required standardized tests have been completed, and the student has earned no more than 18 hours of graduate credit in the degree program. This form will be submitted to the Department Chair and, after approval, a copy will be sent to the program coordinator, the student, and the Office of Academic Administration. Candidates for graduate degrees must complete the program's required comprehensive exams or equivalent before graduation. An advisor should not complete a Graduate Degree Plan form while the student is on probation or has a GPA of less than 3.00.

STUDENT NAME: _____ STUDENT ID: _____

CANDIDATE FOR: MS MPH PhD Other (please indicate): _____

MAJOR or PROGRAM: Biotechnology

REQUIRED ADDITIONAL COURSES: _____

List courses completed and courses proposed to be completed for the degree below. The distribution of courses must comply with the requirements of the General Academic Catalog and any School Catalog/Bulletin from which the student intends to graduate.

MAJOR

Course #	Title	Credit Hours	Completed		Grade
			Where*	Term/Year**	
BIOT 6311	Biotechnology 1	3	UTHSCT	Fall (Y2)	
BIOT 6331	Thesis Research	3	UTHSCT	Fall (Y2)	
BIOT 5132	Critical Readings II	1	UTHSCT	Fall (Y2)	
BIOT 6101	Biotech Research Seminar II	1	UTHSCT	Fall (Y2)	
BIOT 5140	Emerging Techniques	1	UTHSCT	Fall (Y2)	
BIOT 6332	Thesis Writing	3	UTHSCT	Spring (Y2)	
BIOT 6312	Biotechnology 2	3	UTHSCT	Spring (Y2)	
BIOT 6101	Biotech Research Seminar II	1	UTHSCT	Spring (Y2)	
BIOT 5332L	Advanced Graduate Studies	1-3	UTHSCT	Spring (Y2)	
	Elective: Immunology or Forensics	3	UTHSCT	Spring (Y2)	

*UTHSCT course or Transfer courses (not to exceed 12 hours).

**Must be within 6 years of graduation date.
