

Sentinel Laboratory Resources for Ebola Virus Disease

CDC recently updated their webpage for Ebola Virus Disease For Laboratory Personnel, <https://www.cdc.gov/vhf/ebola/laboratory-personnel/index.html> (June 1, 2018) and it covers specimen collecting/transport/submission, select agent regulations, pack/shipping, and testing menus.

Guidance for U.S. Laboratories for Managing and Testing Routine Clinical Specimens

Guidance for U.S. Laboratories for Managing and Testing Routine Clinical Specimens When There is a Concern about Ebola Virus Disease <https://www.cdc.gov/vhf/ebola/laboratory-personnel/safe-specimen-management.html>
