Student Right-to-Know and Campus Security Act

Scope

All University employees, staff, students and applicants

Purpose

To describe the University's reporting responsibilities under the Act

Policy

In compliance with the Student Right-to-Know and Campus Security Act 20 U.S.C. Sections 1092 (a), (e) and (f), as amended ("the Act"), The University of Texas Health Science Center at Tyler (the "University") collects specified information on campus crime statistics, campus security policies, and institutional completion or graduation rates and all other information required by the Act. Every September, the University will publish an annual report containing all information required by the Act, provide copies of the report to applicants for enrollment or employment upon request, and submit a copy of the report to the Secretary of Education.
