NORTHEAST TEXAS REGIONAL HEALTHCARE PARTNERSHIP

STAKEHOLDER WEBINAR OCTOBER 4, 2012

Daniel Deslatte
UT Health Science Center Tyler

TOPICS COVERED

- Regional Update
- Executive Waiver Committee Update
- Stakeholder Feedback
- Questions & Answers

As always, we will follow up with an email containing the presentation and any documents referenced during this presentation.

REGIONAL UPDATE

- DSRIP project summaries for all performing providers will be emailed today. Still needing summaries from 3 hospitals.
- Performing providers should continue working with IGT entities to find a source of IGT for DSRIP and UC.
- Public comment period runs October 22 - 26 (unless changed due to regional consensus)

PUBLIC MEETING

Friday, October 26 at 10:00am

LeTourneau University in Longview

REGIONAL UPDATE

Submission Requirements:

- DSRIP project narratives and related milestones/metrics tables for **all categories**.
- Summary of Category 1-2 Projects (see page 4 of template)
- Institution and IGT contact information (see pgs. 2-3 of template)
- Completed Pass 1 Workbook

REGIONAL UPDATE

What happens after submission?

- **Pass 2 is calculated. Anchors will circulate workbooks showing allocations.**
- **Expect feedback from HHSC and CMS regarding individual projects.**
- **You will have an opportunity to respond to HHSC/CMS feedback and make adjustments to projects.**

EXECUTIVE WAIVER COMMITTEE UPDATE

- **HHSC notified anchors and performing providers that CMS agreed to allow an extension of the October 31 Pass 1 deadline to allow performing providers additional time to develop DSRIP plans.**
- **Additional time will allow HHSC to post responses to frequently asked questions and for CMS to review those responses.**
- **With regional consensus, stakeholders can continue on the currently posted timelines. Otherwise, HHSC will require Sections I - III (RHP Organization, Executive Overview, and Community Needs Assessment) submitted by October 31.**

EXECUTIVE WAIVER COMMITTEE UPDATE

- **May be some flexibility on the November 30 deadline, but those details have not been worked out with CMS yet.**
- **Some considerations:**
 - HHSC and CMS review period and DY 1 Payments
 - Momentum vs. Plan Improvements
- **CMS reiterated to HHSC that they will be looking at valuation and alignment with community needs. Expect some back and forth with CMS, HHSC, and regions once plans are submitted.**
- **Transportation projects can be a “means to an end” but not a stand alone project.**

EXECUTIVE WAIVER COMMITTEE UPDATE

- A revised UC tool was posted on the rate analysis website on 9/25 and is **due by 5pm on 10/26**.
- UC tool does not go to the Anchor. Send directly to the rate analysis team at HHSC.
- HHSC does not have an estimate of when UC payments will be made. Turnaround time will depend on how much “clean up” work HHSC needs to do on the submitted tools.
- CMS has approved advanced payments on an interim basis for providers receiving a transition payment or providers with 2012 DSH payments.
- Direct questions to UCtools@hhsc.state.tx.us

STAKEHOLDER FEEDBACK

Would like stakeholder feedback on the following topics:

- 1. Weekly webinars through submission of regional health plan.**
- 2. Extension of timelines by CMS**

To ask a question, click the “Raise Hand” icon below the participant box.

The screenshot displays the Elluminate Live! interface for a webinar titled "REGION 1 WAIVER WEBINAR". The interface is divided into several sections:

- Participants Panel (Left):** Lists participants including "Anchor Test (Moderator, Me)" and "NETnet (Moderator, Profile)". Below the list, there are icons for raising a hand (circled in yellow), a microphone, and a video camera. It indicates "2 Participants".
- Whiteboard - Main Room (Center):** Shows a slide titled "NORTHEAST TEXAS REGIONAL HEALTHCARE PARTNERSHIP". The slide content includes:
 - The text: "The Webinar will begin soon."
 - The text: "For audio, please follow the instructions below:"
 - A numbered list:
 1. Dial 1-877-526-1243
 2. Access Number: 1992587#
 3. Please **mute** your lineA map of Northeast Texas is shown on the left side of the slide, with counties numbered 1 through 18. The University of Texas Health Science Center at Houston logo is in the bottom right corner of the slide.

At the bottom of the interface, there are audio controls, a "Send" button for chat, and a "Teleconference available" indicator. The system tray at the very bottom shows various background application icons and the text "In session for 24 minutes."
